[Daily Mail] Reform may have already hit peak popularity, polls expert suggests

Fri, 23 Jan 2026 08:58:26 GMT

Leading pollster Sir John Curtice has said he imagines 32 per cent is 'the height of what Reform can achieve' because its vote is a 'very, very niche market'.

[The Guardian] Why are so many Tories joining Reform? – podcast

Fri, 23 Jan 2026 03:00:02 GMT

There have been a slew of defections as Reform rides high in the polls. But is it changing the party? Peter Walker reports Nigel Farage is riding high in the polls. And the last few months his party has had a slew of political defections from the Conservatives – with more expected to follow. He's also fresh from Davos,

[Daily Mail] Rural areas face yearly council tax rises 'for the foreseeable future' under Labour's bid to bribe urban heartlands threatened by Reform UK

Fri, 23 Jan 2026 00:03:54 GMT

England's largest councils have raised the alarm as new analysis suggests they are set to receive just 2p in Government funding for every £1 of their costs over the next three years.
