Labour made mistakes in its Caerphilly byelection defeat. It may be about to repeat them in Gorton and Denton | Will Hayward

Guardian (Politics) · Fri, 06 Feb 2026 08:00:01 GMT

In Wales, Plaid Cymru sailed through as the anti-Reform party, at Labour's expense. Unless lessons are learned, the Greens could do the same In three weeks, the people of Gorton and Denton will head to the polls for their byelection. And the rest of the UK will be watching. It's tragic that a decent PM will be brought down by Mandelson's sleaze – but it's a matter of when, not if | Polly Toynbee

Guardian (Politics) · Fri, 06 Feb 2026 06:00:03 GMT

With three years left and a huge majority, Labour can govern with more humility and deliver real change. But with Starmer at the helm? I can't see it. The smell of death is in the Westminster air. Labour's King Rat Peter Mandelson has again cast his sulphurous odour of villainy around the palace, and contamination may do
