The Polanski effect? These charts reveal how much the Greens have advanced

Guardian (UK News) · Thu, 29 Jan 2026 07:37:18 GMT

The Green party has made gains under its leader – but there is also uncertainty ahead. The Greens talk of a “Polanski effect” – a surge of momentum and visibility since Zack Polanski became leader, as the party gains attention in an increasingly fragmented political landscape. The polls offer the clearest signal so far
