What’s the future for the Green party? Should it be ecosocialism? | Joe Todd

Guardian (Politics) · Tue, 20 Oct 2026 07:00:18 GMT

The party must aspire to be more than a Labour pressure group. It should offer a vision for radical reform – and ways to implement it It’s a strange time to be a Green. We have just held our largest conference ever, but it was overshadowed by a controversial motion that was attacked by the media as racist. Then, when
