Reform UK vows to raise VAT threshold to £150,000

City AM (News) · Wed, 10 Jun 2026 16:22:13 +0000

Reform UK has announced it would raise the VAT threshold for small businesses from £90,000 to £150,000 despite long-running debates over the cost and benefits of reforming the tax. Reform announced on Wednesday it would create a “fair deal for the White Van man” by increasing the VAT registration threshold to £15

There are no guardrails now on the right of UK politics: where Restore Britain goes, others will follow | Owen Jones

Guardian (Politics) · Wed, 10 Jun 2026 15:00:50 GMT

In the UK – and across the west - incendiary language and white supremacist policies are entering the political mainstream What qualifies as too rightwing these days? It’s a question I’ve considered often in recent years. But it takes on even greater urgency when contemplating the rise of Restore Britain.

The Guardian view on far-right violence: digital radicalisation is threatening democracy | Editorial

Guardian (Politics) · Wed, 10 Jun 2026 17:30:52 GMT

Violence on the streets of Northern Ireland is the real-world expression of a sinister mechanism that goes unchecked online Masked men who drive terrorised families out of their homes cannot be called protesters, since the word implies legitimate grievance. The outbreak of racist violence in Northern Ireland this week
