[The Guardian] If you have been listening to Suella Braverman and think Britain has gone bonkers, let me explain | Nels Abbey

Thu, 16 Jul 2026 11:00:37 GMT

The idea that former colonies should pay reparations makes perfect sense through the lens of the new right. But have they got the telescope the right way round? Dearest World, Britain, that small yet once highly influential nation that once proudly ruled over much of you, that “gifted” you the English language as well
