The Guardian view on Peter Mandelson: the government must come clean on vetting | Editorial

Guardian (Politics) · Fri, 29 May 2026 17:05:18 GMT

The first mistake was appointing the peer despite his links to Jeffrey Epstein. The next would be claiming his security risks were properly managed It is telling that the person who first floated the idea of Peter Mandelson as the next UK ambassador to America was probably himself. He seems to have looked at his global
