Plans are under way to finally help Britain's unemployed young people – will Labour pull it off? | Polly Toynbee

Guardian (Politics) · Fri, 25 Sep 2026 07:00:43 GMT

Alan Milburn is preparing to implement his report to bring young people back into work. Let's hope the government will see it through As certainly as the moon pulls on the tides, Labour governments improve the lives of the poorest children. Just as surely, Conservative governments pull back and reverse the good done. H
