[The Guardian] A Britain of wildfires and flood risks: be sure, the climate crisis is real, and we will deal with it | Angela Eagle

Thu, 27 Aug 2026 12:05:25 GMT

Reform and the Conservatives are willing to mislead the public, but as environment secretary, I believe we must be honest – and act boldly This long, hot summer has brought our third drought in five years and the driest July in almost two centuries . We've seen wildfires burn down homes and now face the risk of flash f

[The Guardian] Does Nigel Farage know what people really think of him? I do – and he won't like it | Aditya Chakraborty

Thu, 27 Aug 2026 05:00:05 GMT

An anti-Farage army of voters is there to be galvanised, as exclusive data shows. But getting them out will be tricky Who can stop Nigel Farage? Which voters would actually dig out their ID and schlep down to the polling booth to fight him? Over the past year, these two questions have come to shape British politics. Fr
