[City AM] The devastating prognosis for the UK's public finances

Sat, 11 Jul 2026 00:37:00 +0000

While much of the media obsesses over Nigel Farage's fight with a man dressed as a bin, I have something more sobering to discuss as we kick off the weekend. The Office for Budget Responsibility's report into fiscal risks and sustainability, published this week, is comfortably the most alarming yet. This is an annual r
